## President's Message

### Welcome to the 2011/2012 year for Brampton BPW.

We are looking forward to a new and exciting year!

We have a great line up of speakers for our General Meetings and we have a celebration coming up. Our club's 65 Anniversary will be March 2012. Carrie Andrews, your Programs Chair, has put together an ad hoc committee for the event and we will have a special edition of the Focus. If you have any memories or pictures from your years in BPW, please email them to myself. We want to celebrate the support, the contributions and the change our members have made over the 65 years and continue to do so today.

Our club has contributed to help improve the economic, political, employment and social conditions for women, Locally, Provincially, Federally and Internationally through supporting our community partners and through our resolutions. We will continue to do this throughout the years ahead. As resolutions are our voice to effect change, we welcome all suggestions. For more information on our resolutions please refer to our web site:

<http://bpw-brampton.com/advocacy/resolutions.html> .

We promote our diverse membership of women that you are part of and I am interested in your suggestions and ideas. This is your club and your voice.

I welcome everyone to our 2011/2012 New Year and congratulations to your newly elected executive team. I sincerely thank you for your support and contributions that has made Brampton BPW the club that I am proud to be a member of. Welcome Back!

Kindest Regards,

*Heather*

## Community Partner

### Ste. Louise Outreach Centre of Peel

Ste. Louise is a nonprofit, registered charity organization that has been serving families in need in the Brampton, Caledon & Malton communities for 29 years. We are not Government funded.

Ste. Louise assists single and 2 parent families, individuals suffering from physical and emotional disabilities, abused women and children, fire victims, landed immigrants and refugees.

We provide them with food, clothing, household items, baby necessities, personal products and furniture. All of our services are free of charge.

We are part of the Brampton Food Sharing Network, where we work with other food providers and Churches to share food product and to reduce duplication in our community. We assist several school breakfast programs and youth groups with bread, cereals and snacks.

We have partnerships with schools for children to complete their 40 hours of community service hours. We work with the Elizabeth Fry Society, The court system & Operation Springboard, who are all agencies that have youth or adult minor offenders. They give their volunteer time to the community in lieu of jail time.

Ste. Louise is volunteer based, no paid staff so that the funding goes directly into the program to serve those in need. Continued success is thanks to support from our local community such as Churches, schools, stores, various local businesses and many caring individuals from various service clubs such as the wonderful women of BPW Brampton.

At this time we are in dire need of funding. We are having great difficulty keeping our own roof over our heads this summer and to purchase the many food items that are hard to come by. Items such as Baby Formula, Cereal, Canned Vegetables, Peanut free snacks, Pancake or Muffin mix, Syrup, Ketchup, Mayonnaise and Coffee for the mom's are like gold for our families.

Our kindest regards,
