Dear Friends of FLRC,

On behalf of the Honeychurch Family Life Resource Centre (FLRC), I would like to extend a heartfelt thank you for the care and support you have given through your generous donation of \$500.00 for the families at the shelter.

We are especially grateful for your support during these unprecedented times as the world is faced with this Pandemic.

Since 1987, our Mission has evolved as we empower families by offering necessary supports such as life skills, counselling, legal, outreach and transitional in order to move on with their lives. It is through the support of individuals like you that we are able to provide this very necessary service to families in crisis.

We're delighted that you chose to support the work that we do at the shelter as it enables us to provide the mothers and their children with basic needs and support services in a safe and caring environment. The impact this support makes on the lives of the women and children fleeing family violence, is immense! Your support helps to make a difference in so many lives.

With much appreciation and thankfulness,

Melody Watson
