RE: Letter of Acknowledgement

Dear Pat,

On behalf of all of us at Women's Brain Health Initiative, I would like to thank you for your kind honorarium donation which we received in the amount of \$100 from the Brampton Business & Professional Women's Club.

Your gift will help us fund research and education to combat brain-aging diseases that disproportionately affect women. With your support we will also be able to reach more and teach more people about their brain health and how to best protect it.

With appreciation,

A handwritten signature in cursive script that reads "Lynn Posluns".

Lynn Posluns
Founder & President,
Women's Brain Health Initiative
