Dear Friends of FLRC,

On behalf of the Honeychurch Family Life Resource Centre (FLRC), I would like to extend a heartfelt thank you for the care and support you have given through your generous donation of \$3000 in support of our families at the shelter this Christmas.

Since 1987, our Mission has evolved as we empower families by offering necessary supports such as life skills, counselling, legal, outreach and transitional in order to move on with their lives. It is through the support of groups like yours that we are able to provide this very necessary service to families in crisis.

We are delighted that you continue to support the work that we do at the shelter as it enables us to provide the mothers and their children with basic needs and support services in a safe and caring environment, and a little extra TLC at Christmas.

The impact this support makes on the lives of the women and children fleeing family violence is immense! Your support makes a difference.

With much appreciation and thankfulness,

Pam Loree
