Dear Linda,

We've recently received your thoughtful donation and are grateful for your support. Thank you for thinking of CCS during these very challenging times.

The gift you have given makes a significant impact on the work we do and is consistently changing lives for the better! On behalf of the Caledon children, youth, adults, seniors and entire families whose days are better because of the programs and services they participate in throughout the year, thank you for your generosity. It is important that you know your kindness is making a positive difference in these people's lives throughout the entire year.

With sincerest thanks,
